

# Cameras On / Cameras Off: Virtual and Hybrid Work Survey Snapshot

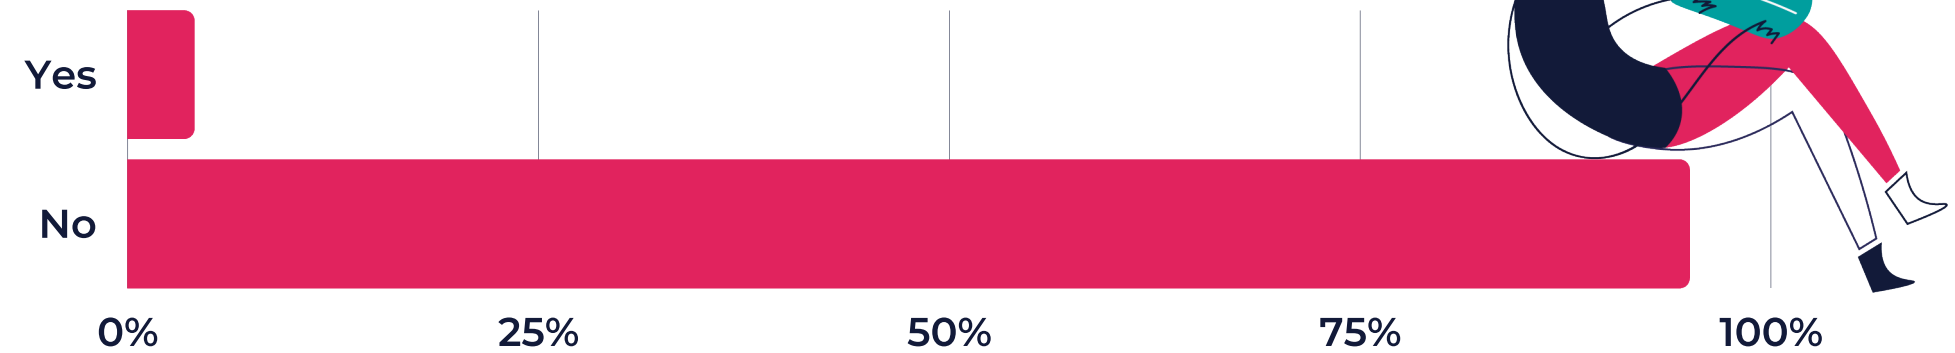

99 OIT staff took the survey

21 of those survey respondents are managers

Do you prefer to have your cameras on or off during meetings?

Do you think it should be mandatory to have cameras on during all meetings?

Note: 100% of managers surveyed said no to making cameras on mandatory for all meetings.

On a scale of 1-5, how useful is it for you to have your camera on during virtual meetings?

2.34★  
Average Rating

(1 Star = Extremely Not Useful and 5 stars = Extremely Useful)

Are cameras helpful or are they a hindrance? Why?
