

DEADLINE!
NOV 17
2023

IT'S THE **FINAL PUSH** TO THE **IDR CLOUD**

The **Integrated Data Repository (IDR)** – CMS' enterprise data warehouse containing Medicare, Medicaid, CHIP, and associated reference data – **is moving to the cloud.** With that move, you'll have access to new features, better functionality, and more flexibility than ever!

The **deadline is approaching fast!** If you haven't started planning your team's move, you're behind schedule. Visit the [IDRC Onboarding page](#) on the [IDR Cloud Communications space](#) on Confluence!

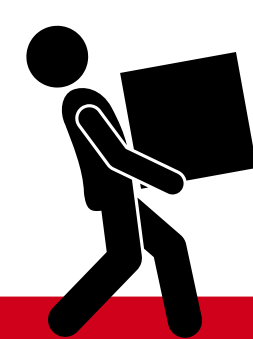

SEPTEMBER & OCTOBER

Complete your **migration to Snowflake**

NOVEMBER 17

All users fully operational in Snowflake; **No access to Teradata**

NOVEMBER 18

Teradata hardware decommissioning begins
