

A CELEBRATION FOR D.E.I.

# WOMEN'S HISTORY MONTH 2024

## THIS YEAR'S WHM THEME IS **D.E.I.**

The 2024 theme is "Women Who Advocate for Equity, Diversity, and Inclusion." Recognizing women throughout the country who understand that, for a positive future, we need to eliminate bias and discrimination entirely from our lives, and institutions.

## SHINING IN THE SPOTLIGHT

### **Karen Wilkins-Mickey**

Determined and persuasive leader forging a path for representation. The focal point to amplify the voices of marginalized people both internally and externally has been her vision since the very beginning.

### **Jacqueline Jones**

Known for her collaborative approach and skilled leadership of cross-functional teams, she has a strong belief that diverse teams and perspectives lead to better business results and most of all - innovation.

### **Sofia Appलगren**

A beacon of change, aiming to create a labor market where equality and diversity are valued. She dedicates her time to increasing DEI by catching as many trends and perspectives as possible.

Women from every background have long realized that an uneven playing field will never bring equality or justice. Many feel the critical need to speak up and work harder for fairness in our institutions and social interactions.

During 2024, we recognize the example of women who are committed to embracing everyone and excluding no one in our common quest for freedom and opportunity.

We honor local women from the past and present who have taken the lead to show the importance of change and to establish firmer safeguards, practices, and legislation reflecting these values. Following decades of discrimination, we are proud to celebrate women who work for basic inclusion, equality, and fairness.
